[Primeira Parte]

**B F#**  
Here's to the ones that we got  
**G#m D#m**  
Cheers to the wish you were here, but  
you're not  
**E B**  
'Cause the drinks bring back all the  
memories  
**E F#**  
Of everything we've been through  
**B F#**  
Toast to the ones here today  
**G#m D#m**  
Toast to the ones that we lost on the way  
**E B**  
'Cause the drinks bring back all the  
memories  
**E F#**  
And the memories bring back  
  
Memories bring back you

[Segunda Parte]

**B F#**  
There's a time that I remember  
**G#m D#m**  
When I did not know no pain  
**E B**  
When I believed in forever  
**E F#**  
And everything would stay the same  
**B F#**  
Now my heart feel like December  
**G#m D#m**  
When somebody say your name  
**E B**  
'Cause I can't reach out to call you

**E F#**  
But I know I will one day, yeah

[Refrão]

**B F#**  
Everybody hurts sometimes  
**G#m D#m**  
Everybody hurts someday, ayy-ayy  
**E B**  
But everything gon' be alright  
**E F#**  
Go and raise a glass and say, ayy
